INTRODUCTION & DEFINITIONS

McCormick Digital Solutions offer a range of advanced functionalities to improve performance, efficiency and profitability of the farmers.

My McCormick – App

Thanks to **My McCormick** you will have **direct access to all McCormick digital solutions**. You can discover promotions and special offers, keep updated about McCormick news and events and look for your nearest dealer.

McCormick Fleet & Remote Diagnostics Management – App

The telematics system that monitors the key tasks of your fleet of tractors:

- Tractor position and parameters such as speed, engine rpm and fuel consumption.
- Data analysis to establish the productivity and performance of each machine and calculate the company's economic margins.
- Remote diagnostics for troubleshooting, reducing downtime and extending machine life.
- Registration of working data to update the work log and maximise performance.

McCormick Farm – App

Platform for managing agronomic data:

- Farm management
- Agronomic models
- Sensor integration
- Prescription maps
- Traceability and Sustainability

McCormick PSM System – Service accessible through RTK system

Precision Steering Management made possible by satellite navigation with RTK correction system such as X25 monitor, to carry out work in the open field to a deviation of only 2 cm from the set course.

McCormick Power Service – Service accessible from My McCormick App

With the McCormick Power Service you will always be in control of the preventive maintenance your tractor needs to keep it running efficiently every day.

Discover the checks that need to be carried out and the necessary spare parts, directly on My McCormick app.

ACTIVATION PROCESS OF DIGITAL SOLUTIONS

For customers purchasing tractors equipped with McCormick Farm Start Pack (McCormick Farm subscription only).

Digital Solutions licences can be activated within 90 days of the warranty start date, after which they cannot be activated.

1. Download My McCormick App from the stores

2. Create your My McCormick App account

Open the App and click on Log In.

Click on Sign Up.

Register using the email address given to the dealer to enter the warranty certificate.
Choose a password that contains:

In case of problems please contact app.support@argotracors.com

Fill-in all the fields of the registration form: Name, Last Name, Phone Number, Address and answer the question “Do you own one of our tractors or do you have the right to sign contracts?”.

The registration process is shown in five steps:

- Step 1:** The registration form is displayed with fields for Name, Last name, Company name, E-mail, Country, and Telephone. The McCormick logo is at the top.
- Step 2:** The user fills in the form: Name (Mike), Last name (White), Company name (MY FARM LTD), E-mail (m.white@dispostable.com), and Country (UK). The Telephone field is empty.
- Step 3:** The user fills in the address: Town/City (London), Post Code (W1H6ED), and Street (Baker Street). The question "Do you own one of our tractors or do you have the authority to sign contracts?" is answered "Yes". The user also accepts the Privacy Policy and the marketing activities.
- Step 4:** A modal dialog appears asking "Do you own one of our tractors or do you have the authority to sign contracts?". The user selects "Yes".
- Step 5:** The user clicks the REGISTER button.

Accepts the privacy policy and click on REGISTER.

Verify your mobile phone number to have it associated to your My McCormick account by entering the OTP received by SMS.

The image shows two sequential screenshots of the McCormick mobile app's registration process. Both screens are titled 'Register' and feature the McCormick logo with the tagline 'Power Technology.' Below the logo, the heading 'Enter the OTP' is displayed, followed by the instruction 'Enter the OTP you received to continue registration'. The first screenshot shows an empty text field for the 'OTP code' and a red 'PROCEED' button. Below the button, there is a link to 'Request new code' and a message in Italian: 'Potrai richiedere un nuovo OTP tra 50 seconds'. The second screenshot shows the same screen but with the 'OTP code' field filled with the number '002783' and the countdown timer updated to '42 seconds'.

3. Register your new tractor

Register your new tractor by confirming the serial number proposed by the system (automatic match done with email address/phone number of the account and of the warranty certificate) or by entering the Serial Number.

The image is a screenshot of the McCormick mobile app's 'Register your tractor' screen. The screen is titled 'Register' and features the McCormick logo. The heading 'Register your tractor' is followed by the instruction 'Enter your serial number to stay up-to-date on promotions and maintenance on your tractor.' Below this is a text field containing a series of asterisks. A red button labeled 'SERIAL NUMBER CONFIRMATION' is positioned below the field. Underneath the button is a link that says 'Where can I find my serial number?'. At the bottom of the screen is a large red button labeled 'REGISTER'.

Confirm the tractor model

CONFIRM

CANCEL

confirm to be:

- the owner of the tractor
- the delegate with authority to sign contracts (with reference to a specific farm)
This functionality gives the possibility to bigger farms to have legal representative to sign the contract (instead of the owner) and to automatically generate a contract where it is stated that who signs the contract is not the owner, but instead someone of the farm with the legal authority to sign the contracts
- none of the 2

11:07 4G

< Confirm Serial number Data

Are you the owner or delegate of the tractor?
Please select one of the two answers

☐ Owner

☐ Delegate with authority to sign contracts

☐ None of the 2

CONFIRM

and confirm the data.
